

THE DISTRICT COUNCIL OF FLACQ

REGISTRATION OF POTENTIAL SUPPLIERS/CONTRACTORS/CONSULTANTS/SERVICE PROVIDERS

The District Council of Flacq is inviting potential Suppliers, Contractors, Consultants and Service Providers to register with the council for the supply of Goods, Services, Works and Consultancy Services.

In that respect, prospective Suppliers/Contractors/Consultants/Service Providers are requested to collect and fill the Supplier Registration Form available at the Registry/Reception desk of the council or to download same from its website (<https://www.flacqdc.mu>).

The duly filled form should be sealed in an envelope and addressed to the Chief Executive, The District Council of Flacq, François Mitterrand Street, Central Flacq and to be hand deposited at the Registry, 1st Floor, The District Council of Flacq.

The under listed documents should be submitted along with the registration form.

1. A copy of the Business Registration Card and valid Trade Fee receipt
2. Certificate of Registration from the Small and Medium Enterprises Development Authority (SMEDA) wherever applicable. Suppliers/Contractors/Consultants/Service Providers need to state whether they are micro, small or medium enterprise on the registration form.
3. Consultancy Firms/Contractors need to state on the Registration form whether they are registered under Construction Industry Authority (CIA) wherever applicable.

The attention of applicants is being drawn to the fact that registration does not mean that the Council has any contractual obligation towards them and does not entitle them to become exclusive providers of any goods/services. Those who have registered in previous years should register anew. The Council reserves the right to look for alternative suppliers/contractors whenever it deems necessary to do so.

Prospective Suppliers/Contractors/Consultants/Service Providers are informed that failure to register with the council will preclude them from participating in any procurement exercise.

Potential Suppliers/Contractors/Consultants/Service Providers shall already be registered on the e-Procurement System as it has become mandatory for public sector bodies. For registration on Government eProcurement System, you may contact the Public Procurement Office for assistance and information on eprocdesk@govmu.org
